Nicole Sandler serves as Patterson Belknap's Chief Business Development Officer, responsible for the operations of the firm's Business Development and Marketing department. In this role, she works closely with firm attorneys and management on the development and execution of business development strategy and initiatives firmwide. She also oversees the firm's marketing activities, including branding and promotion, event management, thought leadership development, internal and external communications, and marketing technologies.

Before joining Patterson Belknap, Nicole served in a business development leadership position at an international law firm. She has over 17 years of experience working in BD and marketing roles within the professional services industry.

Education

- The George Washington University (B.A., 2005)
